

REMARKS

The Office Action issued by the Examiner on May 29, 2007 and the citations referred to in the Office Action have been carefully considered. Claims 1-30 and 61-90 have been previously cancelled. Claims 31-60 are now pending in the application.

Claim Rejections under 35 U.S.C. § 101

The Examiner has rejected Claims 51-60 for being directed to non-statutory subject matter. The Applicant believes that the Examiner may have made a mistake because Claim 51 is mentions a "computer program carrier," it does NOT refer to electro magnetic radiation and requires a computer, which is clearly statutory. Thus, this rejection should be withdrawn.

Claim Rejections under 35 U.S.C. § 102(e)

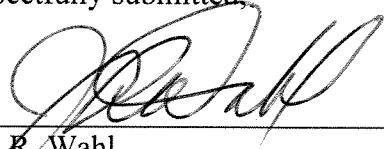

The Examiner has rejected Claims 31-60 for being anticipated by Dwek, however, Dwek does not teach all of the limitations set forth in Applicants' Claims.

In regards to Claim 31, the Examiner, on page 4, line 11 of the Office Action, alleges that Dwek teaches "a user of a client computer connected ... to multiple other computers," but the Figure in Dwek referred to by the Examiner shows a network where a server is connected to multiple other client computers, NOT the user of a client computer as described in the Applicants independent Claim 31. This element of the Applicants Claims is clearly not taught by Dwek and thus independent Claim 31 and all subsequent claims that depend on Claim 31 are seen to be patentably distinguishable from Dwek.

Should matters remain which the Examiner believes could be resolved in a telephone interview, the Examiner is requested to telephone the Applicant's undersigned attorney at the phone number below.

The Director is authorized to charge \$1050.00 for a three-month extension of time as well as any additional fee(s) or any underpayment of fee(s), or to credit any overpayments to **Deposit Account Number 50-2638**. Please ensure that Attorney Docket Number 54317-048500 is referred to when charging any payments or credits for this case.

Respectfully submitted,
